EXTRACTS FROM THE RULES AND REGULATIONS

Medals and prizes in kind not mentioned in the prospectus may be awarded by the Academy at the recommendation of the Judges. No work will be ordinarily eligible for more than one prize. The same artist may win a prize in different sections.

All works sent for exhibition will be submitted to the judgment of a Selection Committee which shall have authority to reject works at its discretion. This rule will not apply to previous winners of the Academy's Gold Medal.

In awarding the prizes the Judging Committee is not bound to give any reason for its decision. The Committee may withhold any prize if no work is considered of sufficient merit.

Students' works should be accompanied by certificates from recognised authorities.

In awarding the prizes there will be no restriction imposed by the Academy as to the choice of subjects and medium employed by the artists except when specified.

Prize No. 1 is open to all exhibits.

The Committee will endeavour to take every possible care of the works submitted but does not hold itself accountable for any damage or loss sustained. Artists should, if they so desire, protect themselves by insurance.

Only *bona-fide* works of the Exhibitors shall be eligible for competition.

No award shall be made to any work which has already won a prize in any other exhibition in India. A declaration form should be attached to all exhibits signed by the exhibitor to the effect that they have received no previous prize. The Committee is prepared to mention in the Catalogue prizes won at any other exhibitions in India or abroad.

The Committee reserves the right to limit the number of exhibits to be accepted from any one artist.

Exhibits for competition must be the work of those ordinarily resident in India, Burma and Ceylon.

NOTICES

Purchases may be effected through the Joint Honorary Secretaries or their Agents in charge at the Exhibition Office.

Purchasers must deposit the purchase money with the above Official before the close of the Exhibition, otherwise the pictures will be returned to the exhibitors.

All pictures must be removed from the Exhibition Hall by the 10th of January, 1935.

The Committee does not take any responsibility whatsoever for pictures left after the above date.

Proxies entrusted with the removal of exhibits should present their credentials in writing.

Enquiries regarding membership in the Academy of Fine Arts, Calcutta, may be addressed to the Honorary Secretaries, Indian Museum, 27, Chowringhee, Calcutta.
